**Motion for Acceptance
of
Late-Filed Direct Case**

Illinois Consolidated Telephone Company ("ICTC"), by counsel, hereby seeks Commission consent to allow the submittal of the accompanying late-filed Direct Case in the above-captioned proceeding. revised list of parties subject to investigation. This revised list included ICTC.

ICTC monitors Commission activities by internally reviewing FCC Daily Digests provided by the International Transcription Service. ICTC did not receive the July 22, 1993 FCC Daily Digest until July 26, 1993. Moreover, ICTC personnel responsible for reviewing this material were out of the office from July 26-29, 1993 and did not actually become aware of the Erratum until July 30, 1993, three days after the Direct Case was to be submitted to the Commission. ICTC therefore was unable to submit its Direct Case in this proceeding in a timely manner. Based on these circumstances, ICTC respectfully requests that the Commission grant this Motion for Acceptance of Late Filed Direct Case.

Respectfully submitted,

ILLINOIS CONSOLIDATED TELEPHONE
COMPANY
